

# ABBY HARRISON

---

## PROFESSIONAL SUMMARY

Enthusiastic engineer and problem solver with 5 years of experience on large, complex, fast-paced projects. Well-versed in building and maintaining positive relationships with clients and other stakeholders. Diligent, thorough, and adaptable to dynamic industry standards and specific project needs. Skilled at overseeing intricate, high-value, technical projects with excellent planning competencies.

---

## WORK HISTORY

### Technology Project Manager, 07/2019 to 10/2020

#### ME Engineers - Denver, CO

- Directed technology design team throughout development and contract document phases for multi-million dollar projects.
- Facilitated collaboration between multiple parties within design and construction teams to increase communication and productivity.
- Advocated for venue owner's business objectives and functionality priorities.
- Gathered requirements, defined scopes, allocated resources, and established schedules meeting or exceeding project demands.
- Designed and utilized reporting systems to keep customers and management in loop with latest information.
- Supervised technology team interns for 3 years and provided technical guidance and mentorship to junior engineers.

### Technology Project Engineer, 07/2015 to 07/2019

#### ME Engineers - Denver, CO

- Oversaw technology systems design and construction administration for large sports and concert venues.
  - Collaborated with clients, architects, engineers, and contractors.
  - Produced construction documentation and verified it conformed to quality assurance standards and client requirements.
  - Performed on-site field surveys and wrote technical narratives to document processes and design changes.
  - Organized and presented technical information in project interviews and internal education presentations.
-
