

LGBTQIA+

Belonging Resources

Kansas City is home to a very supportive LGBTQIA+ community — 60,000 strong in the KC area. We hope you feel at home here — our open hearts led us to host one of the longest-running and largest Pride Fest celebrations in the U.S., now with a nearly 50 year legacy that today draws thousands each summer.

This reference guide is meant to highlight opportunities to find and build community in our region. While not comprehensive, this serves as a great starting point. We hope you feel at home here and encourage you to explore these available resources, amenities and opportunities.
